Education

Indiana University Bloomington

B.S. Informatics (Business and Society)

Bloomington, IN

Expected May 2027

- Luddy School of Informatics, Computing, and Engineering | GPA: 3.50
- **Hudson & Holland Scholar** (Full Merit) | **Direct Admit** | **First-generation college student**
- Study abroad: **Universidad Complutense de Madrid**, Spring 2026.

Cathedral High School

High school diploma, high honours / GPA: 4.00

Indianapolis, IN

Aug 2019 to May 2023

- **AP Scholar** and member of **Quill and Scroll** International Honorary Society.
- Yearbook editor; tennis and Student Council; **200+** hours of community service.

Experience

Program Assistant

IUB Undergraduate Education

Aug 2026 to present

Bloomington, IN

- Support programming for the **Hudson & Holland Scholars Programme (HHSP)**, Indiana University Bloomington's largest merit-based scholarship programme, helping first-generation, low-income, and rural scholars transition into research, leadership, and professional opportunities.
- A Hudson & Holland Platinum Scholar and first-generation student myself, bringing direct insight into the scholars I support.

Luddy LINK · Digital Humans Project

Indiana University Bloomington

Feb 2025 to present

Bloomington, IN

- Researched applications of digital human (AI-driven virtual persona) technology for business use cases, exploring how organisations might deploy digital humans across customer-facing and operational contexts.

Website Team Lead

Laurie McRobbie Serve IT Nonprofit Clinic, Luddy School, Indiana University

Jan 2024 to present

Bloomington, IN

- Serve IT is a school-run organisation where students apply technology skills to build the capacity of local nonprofits so they may better serve their own missions. Lead **5+** nonprofit web projects for Bloomington partners without in-house developers; ship accessible **WCAG 2.1** sites with **React** and **Python/PostgreSQL**, having grown into the role since joining as a first-year student.
- Lead **ServeAI** (PIT-UN), building responsible **AI** resources so nonprofits can adopt tools without dropping accessibility or trust.

MAP Coordinator

IU Office of Student Life

Aug 2023 to present

Bloomington, IN

- Run **FASE** (IU Student Life peer mentoring) **Mentor Apprenticeship Program (MAP)** day-to-day, overseeing mentor training, **Canvas** operations, and programme communications for **50+** first-generation and low-income students, having come up through the same pipeline as a mentee.
- Spoke at the **IU Leadership Conference 2025** on student leadership and engagement.

Restaurant ops, web, and marketing

Potstickers

May 2017 to present

Greenfield, IN

- Worked the floor from 2017 to 2023: serving, till, delivery, and kitchen rushes in the family restaurant.
- During COVID-19, rebuilt the **website and social** from scratch after closures and staff cuts; from 2023, run web and content (Facebook, Instagram, TikTok) in summers and remotely in term, including **Matcha and Moxie**.

Skills

Technical

- **Languages:** Python, TypeScript, JavaScript, SQL, HTML/CSS
