Experience

Website Team Lead

Jan 2024 – Present

Serve IT Clinic, Luddy School, Indiana University

Bloomington, IN

- Lead **nonprofit web projects** for Bloomington community partners, building accessible **WCAG 2.1** sites with **React** and **Python/PostgreSQL**, having grown into the role since joining as a freshman.
- Also lead **ServeAI**, developing responsible **AI** resources and tools that help nonprofits adopt AI while keeping accessibility and trust at the center.

MAP Coordinator

Aug 2023 – Present

IU Office of Student Life

Bloomington, IN

- Run **FASE's Mentor Apprenticeship Program** day-to-day, overseeing mentor training, **Canvas** operations, and program communications, having come up through the same mentorship pipeline as a mentee before stepping into this role.
- Speaker at the **IU Leadership Conference 2025**, sharing insights on student leadership and engagement.

Marketing & Web Lead

Summers, 2023 – Present

Potstickers

New Palestine, IN

- Manage web, social media, and marketing for my family's restaurant during the summer, and remotely during the school year, as a way to stay involved even while away at college.
- Rebuilt the website and lead content strategy across **Facebook, Instagram, and TikTok**, while developing **Matcha and Moxie** as a related brand and content project.

Commercial Real Estate Document Support

Summers, 2017 – Present

Intentionally Omitted

Greenfield, IN

- Support **commercial lease agreements** and redline documentation for direct lease deals during the summer, working directly with clients throughout the process.
- Gained exposure to the **legal and regulatory concepts** underpinning commercial real estate, with work requiring close attention to detail, accuracy, and consistency across long-term transactions.

Restaurant Kid

May 2017 – Aug 2023

Potstickers

Greenfield, IN

- Grew up working in my family's Chinese restaurant, taking on whatever the day needed, serving tables, running the register, delivering food, and helping in the kitchen during busy shifts.
- Later built, debugged, and managed the restaurant's **website and social media** from scratch, self-taught, after the restaurant had to close and let staff go during **COVID-19**; that experience is part of why I pursue tech today.
